NOTICE OF INTENT TO FILE APPLICATION AND OF PUBLIC INFORMATIONAL MEETING

Please take notice that on or about May 10, 2005, Bangor Hydro-Electric Company, 21 Telcom Drive, P.O. Box 932, Bangor, Maine 04402-0932, Tel. (207) 945-5621, intends to file an application with the Maine Department of Environmental Protection for site Location of Development Act (3 8 M.R. S.A. § § 481-490; DEP Regulations Chapters 3 7 1 377) and Natural Resources Protection Act (38 M.R.S.A. §§ 480-A to 480-Z- DEP Regulations Chapters 305-355) permits, and for a water quality certification under § 401 of the Clean Water Act (33 U.S.C. §1341) for a proposed project.

Description: The proposed project is a 345 kV e lectric transmission line approximately 85 miles in length from Orrington to the St. Croix River near Baileyville. This new line will interconnect with a similar line in New Brunswick to tie the Maritime Canada and New England electric grids together. Approximately 12 miles of the proposed line will be located adjacent to the existing MEPCO transmission line in Penobscot County, and 60 miles located adjacent to the Stud Mill Road and Maritimes and Northeast Gas Pipeline in Hancock and Washington counties. The purpose of the line is to create a second tie line with the Maritimes Provinces that will increase reliability, improve electric markets, reduce line losses, and improve access to power for northern and eastern Maine. The proposed transmission line will consist of a series of double H-Frame pole structures with occasional angle structures and steel angle structures.

Further Information: Bangor Hydro-Electric Company will conduct a PUBLIC INFORMATION MEETI14G from 6:00 to 8:00 p.m. on May 3, 2005 at the Princeton Elementary School, Rt. I in Princeton, Maine. Representatives of Bangor Hydroelectric Company will explain the project and provide an opportunity for public comments and questions. You are invited to attend this meeting.

After the application is filed with the Department of Environmental Protection, the document may be viewed by the public at the Orrington, Brewer, Holden, Eddington., Bradley, Milford, Princeton, and Baileyville town offices, as well as the Department of Environmental Protection Offices at 106 Hogan Road, Bangor, Maine.

Questions may be addressed to: Steve Sloan, Bangor Hydro, office: 973-2568, P.O. Box 932, Bangor 04402-0932; cell phone: 949-0205; e-mail: ssloan@bhe.com,

Requests for the Board of Environmental Protection to assume jurisdiction over the application or requests of a public hearing on the application must be submitted to the Department of Environmental Protection in writing no later than 20 days after the application is accepted as complete for processing. A public hearing may or may not be held at the discretion of the Commissioner or Board of Environmental Protection. Public comment on the application will be accepted throughout the processing of the application. Public comments on the application may be provided to the Department of Environmental Protection, and should be addressed to: Stacie Beyer, Department of Environmental Protection, 106 Hogan Road, Bangor, Maine 04401.
